

SECTION B (CHECKOUT AGREEMENT)

1. For FIP resources to which I have been granted access, all IAOs have been notified of my departure so that system access can be terminated. No further access to these systems is authorized and access will not be attempted.
2. All U.S. Government data and FIP software have been removed from personally-owned resources and permission has been obtained to remove these personally-owned resources from U.S. Government work spaces.
3. All FIP resources inventoried and charged to me during my employment have been accounted for and turned over to the IAO.
4. I understand that violation of any of the above rules may be grounds for management action and criminal prosecution. This does not relieve me from complying with other regulations as given in various documents, including the Computer Security Act of 1987.
