

LEVEL I SYSTEM ACCREDITATION REQUEST

NRL-DC

Host registration via the Center for Computational Science (Code 5590) website, <https://netgroup.nrl.navy.mil>, leads to performance of an automatic accreditation procedure by the Information System Security Manager (Code 1221.3).

NRL-SSC/NRL-MRY

Complete this form as indicated below and submit the information via your Network Technical Representative (NTR) to Code 1221.3. Completion of this form indicates compliance with the provisions of paragraph 5a of NRLINST 5239.1:

1. Contact Information

Name: \_\_\_\_\_  
Email Address: \_\_\_\_\_  
Telephone Number: \_\_\_\_\_  
Code: \_\_\_\_\_ Building: \_\_\_\_\_ Room No.: \_\_\_\_\_  
Function (User, System Administrator, or Network Technical Representative (NTR)):  
\_\_\_\_\_

2. System Administrator\*

Name: \_\_\_\_\_  
Email Address: \_\_\_\_\_  
Telephone Number: \_\_\_\_\_ Code: \_\_\_\_\_

\*If this information was already provided in Section 1, proceed to Section 3.

3. Host Information

Internet Host Name (e.g., grizzly.nrl.navy.mil): \_\_\_\_\_  
Internet Address: \_\_\_\_\_  
Manufacturer: \_\_\_\_\_  
Model: \_\_\_\_\_  
Operating System: \_\_\_\_\_  
Code (Provide code number of the NRL component that owns the machine): \_\_\_\_\_  
Building: \_\_\_\_\_ Room No.: \_\_\_\_\_  
Network Hardware Address (MAC Address – Ethernet card address of the system):  
\_\_\_\_\_

4. Registration Type (Adding a new host, deleting a host, or updating host information):  
\_\_\_\_\_

5. Network Connection Type (Select one):

TCP/IP          ATM          DECnet          AppleTalk          Open Transport  
Novell          Other (If other, indicate protocol): \_\_\_\_\_

6. Type of DNS Listing (public or unlisted): \_\_\_\_\_
