

**COMMAND MASTER DIVER QUALIFICATION**

NAME \_\_\_\_\_ RATE \_\_\_\_\_ DIVISION \_\_\_\_\_  
 DATE COMMENCED \_\_\_\_\_ DATE COMPLETED \_\_\_\_\_

1. Purpose. To record certification signatures by designated Qualifiers who, by their signature, certify the MDV has attained knowledge of NDSTC Diving Systems and Support Craft.

2. Prerequisites. Be a Master Diver assigned to the Command and qualified in Basic Dive Systems.

3. Practical Factors. There are no set numbers of dives a Master Diver must observe under instruction to qualify for a signature. It is the responsibility of the Master Divers and Division Officer to evaluate and recommend an individual to the Department Head and Commanding Officer for final approval. Upon designation as Command Master Diver all PVA diving station qualifications, Enclosure (10), will have been satisfied.

a. Discuss and/or observe the following dives and evolutions:

- (1) PVADSF Surface Supplied Air/HeO2 Dive \_\_\_\_\_ MDV/DATE
- (2) YDT 17 or 18 Surface Supplied Air Dive \_\_\_\_\_ MDV/DATE
- (3) YDT 17 or 18 SCUBA Dive \_\_\_\_\_ MDV/DATE
